# Deep Throat

## Fast Acting Oral Numbing Spray

Swiss Navy Deep Throat Fast Acting Oral Numbing Spray is a delicious desensitizer that helps make oral sex more enjoyable and comfortable.

THE FEATURE	THE BENEFIT	THE VALUE
Great Taste	The salted caramel flavor provides a sweet, salty umami. The combination of sweet and salt gives an effect that chefs call “flavor layering”, which creates a crave-able appeal.	According to <a href="#">research</a> by the International Taste Institute, when something tastes good, we associate a feeling of pleasure with that product.  Swiss Navy is known for having delicious, realistically flavored products that consumers enjoy.
Effective Desensitizer	5% Benzocaine allows for a potent, fast acting effect.	Used as a local anesthetic, this formula starts to numb the lining of the mouth and throat 15 to 30 seconds after application and lasts about 15 minutes.
Spray Application	The convenient spray dispenser can reduce the time it takes to apply desensitizer.	Tested to supply 200 sprays per 2 fl. oz. bottle, this product packs a value punch.
American-made Formula	Creates product and brand confidence.	Identifies as safe. Builds trust. Supports American jobs.

### Key Benefits of Swiss Navy Deep Throat Fast Acting Oral Numbing Spray

- Proprietary formula quickly and effectively numbs the deep throat area and suppresses gag reflexes.
- Safe for use orally.
- Intended to enhance the ease and comfort of oral sexual activities with a great taste.

### DID YOU KNOW?

A gag reflex is a normal bodily response, but in some individuals it can be oversensitive.

[Research](#) has found 39% of people suffer from oversensitivity. A [2016 study](#) found that applying a local anesthetic to numb the back of the throat can reduce a person's gag reflex.
